NO DRINKS BETWEEN TRIPS.

An Order That Angers Fourth Avenue Railroad Employees.

The services of men who wish salmens at either end of the road, between trips, will be dispersed with.

This notice has been posted coospicuously in the office of the Fourth Avenue Rallroad Company, and has raised a howl of indignation among conductors and drivers of that

Every employee concerned considers the noice a personal insult. The notice brends us as a lot of drunkards

That's the plain English of it," said a conductor, who seemed to voice the sentiment of all, to an EVENING WORLD reporter this morning. · if it were really necessary to promulgate such an order it would be a sad reflection on the management of the road and a damaging admission to make. But it isn't true. I have been on this road for three years, and I don't believe that one man has been dismissed to There was an exciting time on the historic drunkenness during that time. A more decent River walk in Huboxen this morning, and for a and sover lot of men than is employed on this norment is looked as if there would be a mur- railroad it would be hard to find. The order is uncalled for, answarranted and outrageous.

"I am intormed that the Company, for some stationed in lindson Square Park, noticed a reason, wants a saloon at the north and of the young couple, arm in arm, watkin towards line closed up. It knows that the place is the River Walk. They appeared tery loving patronized almost exclusively by the con-

unweller instruments to deal that blow. Disnucy, and off goes your head. And the worst where Mary Rogers, the oretty clear girl, was of the injustice is that the order reflects dismurdered, the man following them stealthly credit on the innocent men who are made the appro-cied, and with an oath grabbed the catspaws to pull chestnuts out of the fire for some officer of the company."

There are escound on each end of the line,
